Dear Prospective Applicant

Woodmont College was founded to provide accessible and affordable education to students embarking on their professional paths. We believe education is the key to advancement and success in all areas of life. At Woodmont College, our students' success and advancement is our primary objective. We made it our mission to provide quality education through innovative technology, in an environment that supports Torah values and the fundamental beliefs of the Orthodox Jewish community.

By offering affordable degree programs in an online format, we assist our students in the attainment of the skills and knowledge necessary to pursue a lucrative and enjoyable career. Our expert faculty and lecturers interact weekly with students, supporting each learner's progress. The combination of an affordable program in a convenient format with caring faculty helps make earning a college degree an attainable goal for our students.

All Woodmont College degree programs are accredited by the Distance Education Accrediting Commission (DEAC). The DEAC is listed by the US Department of Education as a recognized accrediting agency and is also recognized by the Council for Higher Education Accreditation (CHEA).

We look forward to welcoming you to our college and wish you all the best in your studies!

Rabbi Harold J. Reichman, PhD

“ Woodmont College is the perfect solution for anyone who wants to earn a degree from **any location, at any time.** I was able to move to Israel, travel back and forth to and from America, and take care of my baby—all while earning my computer degree. I loved the **convenience** that it offered.

CHAYA G.

BS IN COMPUTER
PROGRAMMING & TECHNOLOGY

2018 GRADUATE

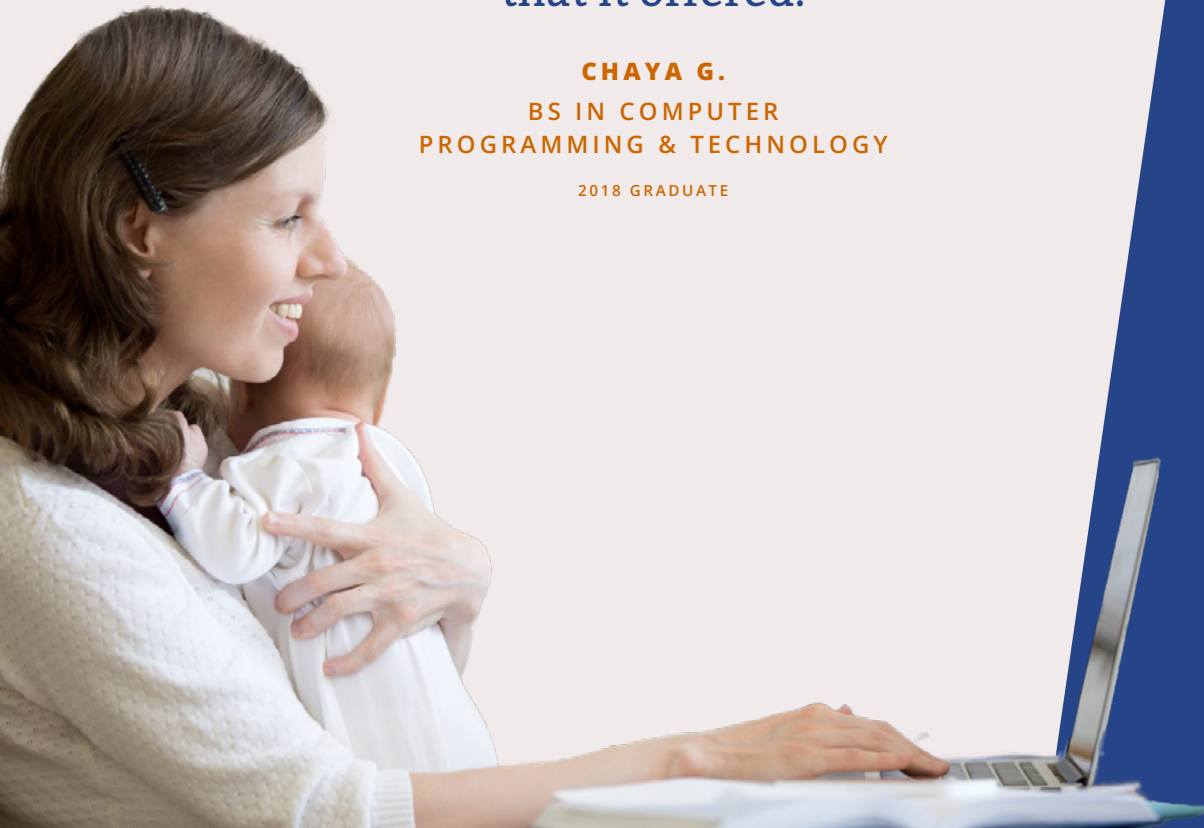

When I saw what Woodmont College was about, I was sold. Woodmont let me get a **degree in a religious environment.** I loved Woodmont from the first week.

M. Z.

BA IN JUDAIC STUDIES,

2018 GRADUATE

”

“ I was concerned that I would have trouble with the platform, but it was **easy to navigate**. The staff was always so available and supportive! I would recommend Woodmont College to anyone who wants to get a degree while remaining in a **religious environment**.

M.Z.
BA IN JUDAIC STUDIES,
2018 GRADUATE

Woodmont College let me graduate **without the prohibitive debt** that comes with other college options I researched. I got a scholarship and was able to transfer my entire associate degree toward my bachelor's. I graduated with a bachelor's **four semesters later**.

DENA ROBBINS
BA IN JUDAIC STUDIES,

”

“ I was able to **stay in kollel** part time while earning my computer degree. The staff was **accommodating** and **understanding** about my demanding schedule.

SIMCHA ZISKIND

AS IN SOFTWARE & WEB DEVELOPMENT,

2018 GRADUATE

Woodmont College offered a very **affordable** degree and a **flexible** program.

I was able to **start working full-time at a job I wanted** after graduating with my bachelor's in Judaic studies.

DENA ROBBINS

BA IN JUDAIC STUDIES,

2018 GRADUATE

”

I enrolled in Woodmont College for the opportunity to gain a degree in Computer Science alongside a part time job. In the process I have acquired new **skills** and gained **confidence** to seek a future career in programming. It has been a real challenge completing the degree with a heavy work schedule and during COVID-19, however Woodmont gave me **fantastic support** to overcome any obstacle I faced. I have a lot of gratitude to Woodmont College for facilitating my education which has made a huge impact in my life and career.

The Web Development III course gave me access to programs using the latest web technologies. I am excited about using newly acquired skills to create advanced web applications in the future!

DAVID KAHAN

BS IN COMPUTER PROGRAMMING AND TECHNOLOGY,

2021 GRADUATE

“ Woodmont College gave me the opportunity to receive a BS in Computer Science in just about a year and a half. I was able to take **summer courses too and work full time as a teacher** for the majority of the program. I learned a lot from the program and appreciate the flexibility that it provided for me. Another plus was that I was able to **transfer** most of my seminary and high school **credits**, so almost all the courses that I took were oriented toward the subject I was getting my degree in. Thank you, Woodmont!

NECHAMA

BS IN COMPUTER PROGRAMMING AND TECHNOLOGY,

2021 GRADUATE

I studied at Woodmont for about 1.5 years and I was impressed by how much the staff and instructors **cared about their students**. They were always there to help me, whether making the workload easier, or explaining concepts I found hard, the staff was there to guide me in every way. They allowed quite a lot of **credits** to be **transferred** in from high school and seminary. Also, instead of sitting through many classes, they **advised** me which tests to take to gain many of the needed credits. Since it is an online college, you have to stay on top of keeping up with the work, yet the **weekly deadlines** help you stay on track.

Woodmont College was very **accommodating**, especially in the summer when I got married. They waived some of their policies, all to ensure a pleasant and smooth learning experience for me. Woodmont College has allowed me to earn a BA in Computer Science, all from the **comfort of my home** and in the best setting possible. When I moved to Eretz Yisroel, there were **no major changes** as it is a remote college. Quite a few people called me recently, thinking about applying to Woodmont. I only had good things to say. Thank you to all the staff at Woodmont College for making this a great learning experience! I hope to take all the skills I learned and use them in the near future.

SARA SCHLISSELFELD

BS IN COMPUTER PROGRAMMING AND TECHNOLOGY,

2021 GRADUATE

“ Woodmont College was a great experience. The classes were **well paced** and the teachers **easy to reach**. ”

JEREMY
BA IN JUDAIC STUDIES,
2020 GRADUATE

“ I really enjoyed the Web Development classes. My professor is a really great teacher. He explains things very well and clearly so it's **easily understood**. ”

RIVKY

2020 GRADUATE

Woodmont College allowed me to get a degree in a **frum environment** with the added benefit of doing it at my **own convenience**. ”

YEHUDIS P.
BS IN COMPUTER
PROGRAMMING & TECHNOLOGY,
2020 GRADUATE

“ Woodmont College was **quick** and **focused**. ”

EZRA
BS IN COMPUTER PROGRAMMING AND
TECHNOLOGY,
2020 GRADUATE

Woodmont College offers great student support and service. The needs of the student body are **taken seriously**, making sure that questions and concerns are promptly resolved.

The courses offered are thorough and convenient. I was able to take my classes on a different time zone than the rest of my classmates and still keep up with the class.

I chose to enroll at Woodmont College because it was offering a **full program** in software and web development. I was very happy to be in a frum college which offered a **good yom tov schedule** with appropriate off days.

I really enjoyed Web Development. I especially liked the way my professor taught, reviewed and tested us. I truly learnt a lot in his class and feel very **confident** to pursue my learning in this area.

”

TEHILAH S.,
AS IN SOFTWARE AND WEB DEVELOPMENT GRADUATE,
2021 GRADUATE

Through Woodmont College, I was able to **take my schooling with me wherever I went.** Whether I moved to a new city or went on a short vacation (both of which actually happened) I was able to continue my work without a hitch.

My professor created a framework of **striving for excellence.** His goal was not to make Java I easy, rather, his goal was to develop our programming skills to the utmost. This is the course from which I benefited most.

CHAYA
BS COMPUTER SCIENCE,
GRADUATE 2021

Woodmont is a great option if you want a **flexible** schedule along with a very **affordable price**.

Having hands on experience running cybersecurity examples, using the terminal and Linux was a lot of **fun** and a **phenomenal learning experience**.

SHMUEL
BS COMPUTER SCIENCE,
GRADUATE 2021

Woodmont is great if you want to get your degree **quick and cheap**.

I really enjoyed the C+ course. It was taught very clearly, and the work was not too challenging that I needed help but challenging enough that I felt **accomplished** completing it.

NECHAMA S.
BS COMPUTER SCIENCE,
GRADUATE 2021

A truly pleasant educational experience that has given me the tools to **succeed**. I've learned to problem solve and to meet deadlines. Woodmont is the **perfect option for Yeshivah students** seeking advanced education, during their free time. Extremely talented staff whose focus is to help you grow and learn.

Thank you! Woodmont is the greatest college with the most wonderful, caring and patient staff!
